This is Class 2 material so there is no need for a state number, nothing is tracked by the State. Once we get into hazardous and Class 1 material yes, I will have to talk to Janet at TCEQ about getting State Waste Codes and a State ID Number.

See attached corrections.

Also, Denita indicated that the State number for the site was expired. Does that impact us in any way? Do we need a one-time number ?

Thanks

Gentlemen,

Please take a look and let me know if we need to make any changes. Secondly, I have asked for trucks for tomorrow. Will everyone be available to make that happen? If that is a problem please let me as soon as possible.

Thanks,
